

# SVBGH TEMPORARY PARKING ARRANGEMENT for ENDOSCOPY

Welcome to Sentara Virginia Beach General Hospital. Our hospital is undergoing a construction project that will upgrade our future medical capabilities. As part of the construction, portions of Facilities Lane will be closed between **November 15, 2017 and December 12, 2017**. During this time, patient and visitors arriving to our Endoscopy Department will experience some road closures and patient parking shifts. The diagram below depicts the traffic flow and parking during this time as you approach from either Old Donation Parkway or Will O Wisp Drive after turning off First Colonial Drive. There will be extensive construction signage to help you navigate to parking. If you have parking concerns and are visiting Endoscopy, please call 395-8772.

We hope you enjoy your visit to Sentara Virginia Beach General Hospital and thank you for your patience.
